

Advertise your business with an in store promotion with other Military Avenue companies.

Get ahead of the road construction!

Construction Cone Campaign

This in store promotion will offer all customers that shop during construction an opportunity to win a prize just for shopping during construction.

How it works every participating business will provide \$200/300 member/(non)member prizes or money to MABA. In return they will get a construction cone and a display that will provide a picture of what the street will look like upon completion and also a list of all the participating businesses in the campaign.

Name and phone number will be all that is required on the ticket that will be placed in the construction cone. A purchase is not necessary to win.

Two large giveaway's will be held in June and November where winners will be drawn and contacted if not in attendance. Also Winners names will be posted on the MABA website.

We hope to have several flat screen televisions as well as many other attractive prizes to giveaway.
